## STAT OF THE MONTH:

FRBA #1 Prospect—Alvin Davis  
Davis is a 195-pound first baseman from Riverside CA who was selected in the 1st Round of the 1947 draft. He has an advanced feel for the strike zone. He projects to be able to consistently put the barrel on the bat on the ball. He has plus power potential. Davis has great potential and a very promising future.

## COMMISSIONERS CORNER:

It's finally opening day, after a winter of the GM's getting use to their ball clubs it is now time for teams to show what they got on the field. Rosters are at the ready and 1000's of baseball are rubbed up with Lenna Blackburne Baseball Rubbing Mud in anticipation of the 1948 season openers.
